

Welcome to
The Bolsa Chica Ecological Reserve

One of Southern California's last
remaining Wetland/Mesa Ecosystems

November 1997. The Stewards volunteers planting native plants at the Mesa Point.

BEFORE -

July 2000, not quite 3 years later, from about the same vantage point. Mesa Point is covered with established native plants: Bladderpod, Sage, Quail Bush, Sagebrush, & Saltbush. New trails have protective rails.

AFTER

The Bolsa Chica Stewards Are:

Guy Stivers

Mike McMahan

Ted Dowding

The Nancys: Nancy Harris and Nancy Donaven

Mae Gale

Marinka Horack

Kelly & Gary Keller

Kim & Thierry Kolpin

Natalie & Jeff Rokos

Babs McCoy

Juana Mueller

Marc Stirdivant

Laura, Robert and Henry Pickett

Jerry Cruise

Julian Vochelli

And the tens of thousands of volunteers who have come out to make this dream a reality.
